Announcing Board Officers and Program Director

March 13, 2018

The CSIndy Board of Directors had their first meeting on Saturday March 10 at Christ Church in Plainfield. We had a very productive meeting and accomplished several notable tasks. These included:

Elected of Board Officers

We elected 6 officer positions. They are:

- Chair - Rick Diaz
- Vice Chair - Laurie Carter
- Secretary - Joel Gibbons
- Treasurer - Michael Pryss
- Asst Secretary - Jenny Wengler
- Asst Treasurer - James Miles

Selected a Program Director

We voted to have a program director as the executive head of the CSIndy Organization. The program director will be the sole report to the Board of Directors and is responsible for all day to day running of Classical Studies of Indianapolis.

We are extremely excited to announce that we have selected **Kate Ambrose** as the first PD of CSIndy. She has led us well as Head of School or the last year, and LG Team lead prior to that. We are confident she will continue to lead us well for the 2018-19 school year and beyond!

Established Committees

In order to support our program director, we established several committees. They are:

- Curriculum
- Finance
- Fundraising
- Marketing & Technology
- Policy

We encourage anyone with interest to contact us as committees@csindy.org to volunteer. All committees are open to community involvement with the exception of finance, which is by invite only due to the confidential nature of the information.

Finalized and Signed Bylaws

We agreed on a set of bylaws very similar to those of the TMS board, but edited for simplicity.

Filed Non Profit Status

Prior to the meeting, our application for 501c(3) status was filed.

Meeting minutes can be found in the news section of our website, <https://csindy.org/news>.

Our next board meeting will be Tuesday April 24 at John Wesley Free Methodist Church in Indianapolis.

If you have questions or comments, please reach out to the board at board@csindy.org.
